

ENVIRONMENTAL POLICY STATEMENT

Atlantic Track & Turnout Co. is committed to protecting the environment by minimizing the impact of our operations in the communities where we do business and the products we manufacture and supply.

We will maintain compliance with all local, state, and federal environmental regulations. We strive to achieve the highest health, safety, and sustainability standards in the industry. We are focused on the continual improvement of environmentally friendly operations, ensuring that environmental performance is firmly embedded in Atlantic Track culture.

We are dedicated to minimizing the environmental impact of all Atlantic Track processes by integrating the following objectives into work practices by:

- Conserving raw materials and energy, in order to reduce our waste and environmental footprint.
- Enhancing the efficiency of our processes and improving cost control.
- Dedicating resources and providing information for employees about their roles and responsibilities.
- Minimizing and eliminating incidents that could adversely impact the environment.
- Conducting periodic audits of environmental impacts.

Atlantic Track will be proactive in the application of this policy and maintain such business practices through the implementation of an environmental management committee.

We expect all employees to perform their duties in a manner compliant with environmental regulations and the culture of Atlantic Track.
